

Pumpkin Patch

We had a successful pumpkin patch on October 13th! Thank you to those parents who helped out/contributed to support this event.

Fall is a busy fundraising time for our school. The students and teachers are grateful for your support. Not only does the fundraising support major purchases for our school, such as the Pumpkin patch, hip hop week and Space week, it also sends our students on field trips and purchase specific classroom items. Please consider supporting our fundraisers. These fundraisers also support our local communities.
