

Happy New Year!

Welcome back! We had had a super busy 2023! Thank you to everyone for your continued support throughout all the fundraisers and PAC events, especially for the Movie Night and the Christmas Market. All of these were possible because of the parent volunteers and Panorama parent support. A special thanks to our PAC team for leading some very successful fundraiser, such as the Tri-City Coupons, Meridian Meats, Purdy's, and Art Fundraiser. As well, a special thanks to our hot lunch coordinators who did an amazing job coordinating hot lunches and treat days for the children. We ended the year with an amazing Christmas Market, as well as supporting 2 local tri-city families for Christmas. We are excited about this new year filled with fun events and initiatives so stay tuned on how you can continue volunteering and supporting the school!

Important Information: Spring Fair - June 7th

We had a super successful spring fair last year and really want it to happen again. We are looking for more volunteers and specific roles to make this event possible. If we are unable to fill these roles, then this event will not be able to go ahead.

A list of ways you can help:

1. Ticket sales
2. Raffle ticket prizes
3. Creation of online auction
4. Stations organizer
5. Middle school/ high school liaison for student helpers
6. Day of support- various stations, ticket booth, raffle tickets, etc

Please reach out to chair@panoramaheightspac.ca if you can help support any of these roles or have any further questions around these role specifications.

Exciting PAC Events
