### **Update from Mr. Jiwa:**

The emergency release drill went well. It was the first one in 10 years in the district so it was a good exercise to experience.

We had a meeting with the playground coordinator on Tuesday, May 19, for an initial first chat about what we want. If anyone is interested in taking part in the playground conversation, please do get in touch! We are always looking for ideas and ways for people to contribute.

Many thanks again for the amazing staff appreciation day.

Two of the projectors are now mounted on the ceiling, thanks to the PAC! It makes things more practical and it's safer for the children.

Two people are retiring – Maxine Vance and Lori Hetherington – we thank them for their hard work and dedication over the years.

A few staff members will also be leaving as their temporary positions come to an end.
